

OUR WORK AND VISION

Recovery Resources
Serving Colorado's
Western Slope since 2016

OUR MISSION

Empower people to create a new story of transition, recovery and resilience.

OUR VISION

Build clear pathways of transition by empowering people and communities in a culture of support and resilience.

WHAT WE BELIEVE

We believe in your autonomy and your ability to overcome life's challenges by tapping into your own inner strengths. We know this journey isn't easy, but we're here to support you every step of the way. We promise to meet you wherever you are with compassion and respect. We'll help you find the right path forward, so you can start confidently writing your New Story today.

WHAT WE DO

We provide outpatient programs and support services that guide people through the process of transition or recovery. Our scope of work includes: withdrawal management, individual therapy, life skills development, holistic coaching, Street Outreach and Unsheltered services, DUI classes and DUI compliance services such as drug testing and pretrial coordination.

HOW WE DO IT

We respect each person's individual process, and work collaboratively with our clients to develop personalized treatment or transition plans matched to their unique lifestyle and goals. We also provide compassionate care management and coordination that gives people a clear path forward to success; which means our clients get to focus their valuable energy on the life-changing experience ahead.
